It is an exciting time at PRMA, with the recent launch of our digital applications generating significant excitement across the industry.

The PRMA Navigator® is a revolutionary solution for producing and coordinating HTA submissions. Within the Navigator®, evidence from value dossiers and other supporting documents is directly mapped to submission templates from the major HTA agencies. This is a unique application which is transformational to the way manufacturers currently develop their submissions.

Due to unprecedented interest from our clients we are looking to further build the PRMA Navigator® team with two HTA Submissions Managers.

We are looking for enthusiastic and driven individuals to project lead the delivery of Navigator® projects, whilst developing and managing client relationships, and to play a leadership role in the continuing development of this innovative application. You will work as part of a broader team to deliver these projects.

You will need to demonstrate client facing skills and the ability to deliver large global projects, on time, in budget and to the highest quality. It would be preferable that you have experience of HTA submissions and Global Value Dossiers as the role will involve dealing with large volumes of evidence.

These are a new positions in a leading market access consultancy providing solutions to the pharmaceutical industry, you can expect a rewarding career with fantastic opportunities for progression, recognition and a flexible working environment to give you the work / life balance you need to perform at your best.

If you are familiar with clinical data, are an excellent Project Manager and are looking for a challenging role where you can apply your knowledge of HTA submissions and make a difference to our clients we'd love to hear from you!
