

Senior .Net Web Developer

Company: PRMA Consulting Ltd

Location: Fleet, Hampshire

Type: Permanent

Salary: On application, and commensurate with experience

Benefits: Competitive salary, performance-related bonus, pension, life insurance, private healthcare, group income protection, perkbox (discounts including shopping, cinema and restaurants), flexible working

It is an exciting time at PRMA, with the recent launch of our digital platforms generating significant excitement from the industry.

We are looking for a Senior .Net Web Developer to work collaboratively with a number of internal and external stakeholders, along with our offshore development team to deliver software projects to the highest quality.

You will be an experienced full stack web developer who is comfortable with front and back end development as well as gathering and documenting requirements.

This is a new position in a top consultancy providing market access solutions to the pharmaceutical industry, you can expect a rewarding career with fantastic opportunities for progression, recognition and a flexible working environment to give you the work life balance you need to perform at your best.

If you have senior level experience within a structured development environment, we'd love to hear from you.

About us

PRMA Consulting is a fast-growing company specializing in the pricing, reimbursement, and market access of pharmaceuticals. We work with our clients to deliver strategic solutions that maximize the market opportunity for their products.

We are headquartered in the UK, with overseas offices in the US and Greece, and country experts around the world. Our clients include the top-20 global pharmaceutical companies and biotechnology, medical device, and diagnostic companies.

PRMA Consulting provides a stimulating and challenging work environment, and clear career progression for self-motivated, talented individuals. We have a strong focus on quality and encourage everyone to take ownership and responsibility of projects whilst working across and within teams. We offer rapid career enhancement and personal development for the right candidate, along with the opportunity to work alongside an international and diverse group of talented professionals.

Application

If you feel you have the enthusiasm, skills and experience to add value to our team then please forward your CV and a covering letter to jobs@prmaconsulting.com also stating your current or expected salary package.
