

## Technical Artworker

**Company:** PRMA Consulting Ltd

**Location:** Fleet, Hampshire

**Type:** Part time, 6 month contract (potential to go perm)

**Salary:** On application, and commensurate with experience

We are recruiting a Technical Artworker to join us on a part time, 6 month contract, with the potential to convert into a permanent position.

This role will provide strong, high quality artwork including figures, layouts, icons, presentations and adapting designs to multiple uses, as well as design projects.

You will have experience in using Adobe Creative Suite - Photoshop, Illustrator, In-Design; with excellent knowledge of PowerPoint.

You will work alongside the Senior Graphic Designer in all design activities in the development of a wide variety of client deliverables in different formats, as well as aiding the editing team by ensuring the accuracy and consistency of artwork.

We are looking for an enthusiastic, driven, team player with a strong artworking background with exceptional attention to detail.

This is a new position in a leading market access consultancy providing solutions to the pharmaceutical industry, you can expect a rewarding career with fantastic opportunities for progression, recognition and a flexible working environment to give you the work life balance you need to perform at your best.

If you have excellent design, organisational and creative skills we'd love to hear from you!

### About us

PRMA Consulting is a fast-growing company specializing in the pricing, reimbursement, and market access of pharmaceuticals. We work with our clients to deliver strategic solutions that maximize the market opportunity for their products.

We are headquartered in the UK, with overseas offices in the US and Greece, and country experts around the world. Our clients include the top-20 global pharmaceutical companies and biotechnology, medical device, and diagnostic companies.

PRMA Consulting provides a stimulating and challenging work environment, and clear career progression for self-motivated, talented individuals. We have a strong focus on quality and encourage everyone to take ownership and responsibility of projects whilst working across and within teams. We offer rapid career enhancement and personal development for the right candidate, along with the opportunity to work alongside an international and diverse group of talented professionals.
